## SUMMER CAMPS 2012

Discover one of Collin County's most unique summer camps.

### “Creek Camp”

  - II. July 23 – July 27, 2012
  - III. August 6 – 10, 2012
- 9:00AM to 1:00PM

*Have fun with science while keeping cool during our hot Texas summer!* Children will take daily trips down the creek and explore plant and animal life, keep photo journals, and learn to use a microscope. In addition, we will play a myriad of water games and create many unique crafts.

*Recommended for ages 6 - 12*

### “Pioneer Camp”

- I. June 25 – June 29, 2012
  - II. July 9 – 12, 2012
- 9:00AM to 1:00PM

**Pioneer Camp** at the Heritage Farmstead Museum encourages campers to put away the *gadgets* of today and experience farm life in the middle of downtown Plano. It is 4 hours of **good old fashioned fun** with a smattering of chores which include caring for our sheep, chickens, guineas, turkeys, goats and mules. *Where else can you experience days gone by activities like Cow Chip Tossing, Croquet, Graces, Horse shoes, Badminton, Sack races, Basketball with real Peach Baskets and honest to goodness watermelon seedspittin' contests?* Campers will receive hands-on outdoor cooking lessons and there will be time to cool off with a walk in the creek and water games which include the bucket brigade and water relays.

*Recommended for ages 6 - 12*

### “Curator Camp”

- I. June 18 – 22, 2012
- 9:00AM to 1:00PM

***Ever wonder what happens behind-the-scenes in a museum?*** Now is your chance to find out! As junior curators, students will work behind-the-scenes to learn how to preserve and protect the museum's collection. Over the course of a week, students will learn about and touch real historic artifacts and work in teams to create and design a unique museum exhibit.

*Recommended for ages 12 and over*
