

The Farmer Duck Tour at the Heritage Farmstead Museum is based on the book, *Farmer Duck* by Martin Waddell and Helen Oxenbury. We begin the tour reading aloud to the group. We discuss chores; comparing turn-of-the-century chores with modern day chores. Children are then provided the unique opportunity to learn about history through hands on activities like feeding chickens, washing dishes, in washtubs and even milking our very own creation, Odessa the teaching cow. Each activity teaches a very important lesson.
